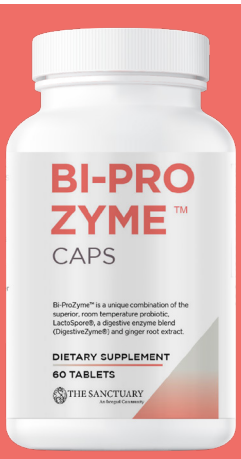
GLP-1 SUPPORT

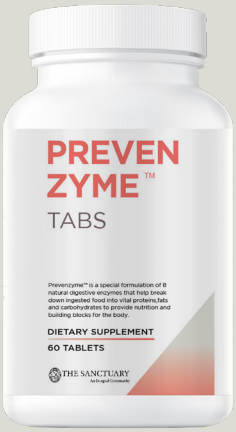
SEE IMPROVED COMPLIANCE & INCREASE YOUR BOTTOM LINE



BI-PROZYME is a unique combination of the superior room temperature stable probiotic LactoSpore®, a digestive enzyme blend Digezyme®, and Ginger extract.

This combination has been designed to support optimal digestive function, contributing to healthy metabolism.

- **Room Temperature Stable - No Refrigeration**
- **Supports Normal Digestion**
- **Superior Survivability in the GI**
- **Contributes to Health and Wellness**



PREVENZYME is a special formulation of eight natural digestive enzymes. By effectively supplementing digestive enzymes daily, Prevenzyme may promote more complete digestion of carbohydrates, proteins, and fats, as well as better absorption of nutrients, helping to ensure continued good health.

- **Improve body response to inflammation and swelling**
- **Aids in weight management**
- **Increase nutrient absorption**
- **Reduce allergies and food sensitivities**

ACR-2x is a natural cleansing formulation that is mild and fast acting. Contains natural cascara sagrada, rhubarb root, ginger root and aloe curacao for effective results. Ridding the colon of waste and toxins by releasing layers of buildup can lead to feelings of clarity, strength and overall good health. This is a non-habit forming formulation.

- **Increases energy**
- **Maintains regularity and prevents constipation**
- **Jump starts a weight loss program**
- **Improves concentration**
